From Thankful Parents Of Sambo MMA Club of NJ

We would like to take the opportunity on behalf of Sambo MMA Club team parents of NJ to formally thank everyone in writing for all of the support we received this season and great tournament of Sambo USA Open in [Rahway, NJ](#) 2011. We are not sure we can begin to thank everyone, but we will try.

First of all, we would like to thank the AASF volunteers, enthusiasts, Rahway NJ administration, Police Support, Ambulance team, Medical Staff, Referees, Coaches, all support personnel, all hard working staff, and, most importantly, the sambo parents and all of the students of Sambo who came to participate at 2011 Sambo Open. We would also like to thank all our contributors as well. Also, we would like to thank in particular our coach James White (11 participants - 11 medals) for outstanding job of inspiring our children, AASF President Jack Kogan and AASF staff for organizing such a great, outstanding (the best one yet) tournament. To all of you, we are sure we can never repay you for so much effort, but we would like to try.

In addition, we would like to express to you our combined wish to see Sport of Sambo in US grow even stronger and bigger than it is now. Our dream as parents of our children to see Sambo grow into an Olympic Sport which will give our children better, stronger opportunities in the future. Watching Sambo Sport growing year to year we feel our dreams will come true sooner then later under the leadership and management of AASF.

It's people like you that make all of us proud. From all of us, Parents Of Sambo MMA Club team champions, and from all our loyal supporters, we couldn't have done it without you!

GREAT JOB!!! WELL DONE !!!.

Thankful Parents Of Sambo MMA Club of NJ.
